

# CURRICULUM VITAE

## Sehyun Shin, PhD.

Professor  
Korea University  
School of Mechanical Engineering  
Anam-dong Seongbuk-gu  
Seoul, Korea 136-713

<b>Education</b>	Ph.D.	Mechanical Engineering and Mechanics Drexel University Philadelphia, PA, U.S.A.	1990-1993
	M.Sc.	Mechanical Engineering Seoul National University Seoul, Korea	1987-1989
	B.Sc.	Mechanical Engineering Seoul National University Seoul, Korea	1982-1987
<b>Work Experience</b>	Professor	School of Mechanical Engineering Korea University, Korea	2007 - present
	Directors	Liquid Biopsy Research Center (NRF)	2015~2020
		Future Biomedical Device R&D Center (KHIDI)	2014~2019
	Professor	School of Mechanical Engineering & Dept. Medical and Biological Engineering Kyungpook National University, Korea	1995 - 2007
	Editor	Journal of Mechanical Science and Technology	2014- - Present
	President	International Society of Clinical Hemorheology (ISCH)	2015 - 2018
<b>Awards</b>	KSME	KSME Academy award.	2015
	MOST	The President Award	2016
