

## **CURRICULUM VITAE – Prof. Hyun Kyu Song**

**Date prepared** April 20, 2016

### **Contact Info**

Office Address: Division of Life Sciences, Korea University

Rm602, Hana Science Hall, 145 Anam-ro, Seongbuk-gu, Seoul 02841, Korea

WWW: <http://song.korea.ac.kr> (for more info)

### **Education**

1993.3 – 1997.8 Ph.D., Department of Chemistry, Seoul National University

1991.3 – 1993.2 M.S., Department of Chemistry, Seoul National University

1987.3 – 1991.2 B.S., Department of Agricultural Chemistry, Seoul National University

### **Postdoctoral Training**

2001.8 – 2003.8 Research Associate with Prof. Michael J. Eck, Harvard Medical School and Dana-Farber Cancer Institute

1999.9 – 2001.8 Postdoctoral Fellow with Prof. Dr. Robert Huber (1988 Nobel Laureate in Chemistry), Max-Planck-Institut für Biochemie, Martinsried, Germany

1997.9 – 1999.8 Postdoctoral Fellow with Prof. Se Won Suh, Research Institute for Basic Sciences, Seoul National University, Korea

### **Academic Appointments**

2011.9 – Present Full Professor, Division of Life Sciences, Korea University

2013.8 – 2015.7 Division Chair, Division of Life Sciences, Korea University

2010.12 – 2011.11 Visiting Scientist, Korea Institute of Science and Technology (KIST)

2008.12– 2009.8 Visiting Professor, Harvard Medical School & Dana-Farber Cancer Institute

2007.9–2011.8 Associate Professor, School of Life Sciences and Biotechnology, Korea Univ.

2004.9 – 2007.8 Assistant Professor, School of Life Sciences and Biotechnology, Korea Univ.

2003.9 – 2004.8 Senior Researcher, Division of Basic Sciences, National Cancer Center

## **Professional Appointment**

2015.1 – 2015.12 Secretary of Science Program, Korean Society for Biochemistry & Molecular Biology

2013.1 – 2013.12 Secretary of Member Welfare, Korean Society for Molecular and Cellular Biology

2008.1 – 2012.12 Editor, Journal of Korean Crystallographic Association

2012.1 – 2012.12 Secretary of Science, Korean Society for Molecular and Cellular Biology

2012.1 – 2012.12 EMM Committee Member, Korean Society for Biochemistry & Molecular Biology

2011.1 – 2011.12 Secretary of Computing Affair, Korean Society for Molecular and Cellular Biology

2010.1 – 2011.12 Secretary of Public Relation, Korean Society for Biochemistry & Molecular Biology

2008.1 – 2009.12 Award Committee Member, Korean Society for Biochemistry & Molecular Biology

2008.1 – 2008.12 Election Committee Member, Korean Society for Molecular and Cellular Biology

2005.6 – 2006.6 Committee Member for Supercomputing Center, Korea University

2005.1 – 2005.12 Steering Committee Member, Biochemistry Division, Korean Chemical Society

1994.3 – 1998.9 X-ray Facility Manager, Inter-University Center for Natural Science Research Facilities, Seoul National University

## **Awards**

2010.12 Top 10 Bionews 2010 in Korea

2011.08 Outstanding Research Output by Korea's National Science & Technology Commission in 2011.

2011.11 Outstanding Research Output in 2011 from Korea's Ministry of Education, Science and Technology

2012.9 Outstanding Research Output in 2012 from Korea's Ministry for Health, Welfare & Family Affairs

2012.10 Macrogen Scientist Award

2014.05.09 – Excellent Lecture Award, Korea University (2<sup>nd</sup> Semester, 2013, “Structural

Biology”)

2015.10.15 Sigma-Alrich Chemist Award
