

Korean Cancer Association

Curriculum Vitae

Full name	Céline Vallot	
Current Position	PI	
Department	Translational Department	
Affiliation	Institut Curie CNRS	
Country	France	

Education

- 2010 **PhD, Université Paris XI - Institut Curie, UMR144 Molecular Oncology Team - Paris**
PI: Dr François Radvanyi
- 2005 **Master of Science, Université Paris XI - Kremlin Bicêtre**
Molecular and cellular biology of cancer

Professional Experience

- Since 2017 **Group Leader - Translational Department/UMR3244, Institut Curie – Paris, FR**
Dynamics of epigenetic alterations in breast cancer
- 2013-2016 **Research Associate - Université Paris Diderot, UMR7216 – Paris, FR**
- 2010-2013 **Postdoc - Université Paris Diderot, UMR7216 - Paris**
Analysis of the X chromosome inactivation process in early development in humans, PI: Claire Rougeulle
- 2010 **IGMM, Chromosome and Gene expression Unit - Edinburgh, UK**
1 month Short stay in Pr. Wendy Bickmore's lab for the study of chromatin compaction in bladder tumors
(see Vallot *et al.*, *Oncogene* 2015)
- 2005-2010 **PhD - Institut Curie, UMR144 Molecular Oncology Team - Paris**
Regional epigenetic silencing mechanisms in cancer,
PI: François Radvanyi
