

The 29th Congress of the KSSMN & 2019 International Symposium

Friday 2019.9.27

08:00-09:00	Registration									
09:00-10:10	RoomA	Symposium I : Selection of nutrition support regimens	Min-Gew Choi Doris Ng		RoomB	Oral Presentation I	Bum Soo Kim Myoung Won Sohn			
	09:00-09:15	Update on parenteral lipids : therapeutic goals	Chaeyoun Oh	Korea University, Korea						
	09:15-09:30	Useful medications for manourished patients	Eun-jeong Heo	Seoul National University Bundang Hospital, Pharmacist, Korea						
	09:30-09:45	Antioxidant vitamins and trace elements in critical illness	Gil-Jae Lee	Gachon University, Korea						
	09:45-10:10	Discussion	Minae Geum	Ulsan University Hospital, Korea						
			Ki Hyun Kim	Kosin University Hospital, Korea						
			Ki Bum Park	Gyungpook National University Hospital, Korea						
10:10-10:30	Opening Remark									
10:30-11:00	Coffee Break									
11:00-12:10	RoomA	Symposium II : Hot topics in nutritional society	Moon-Soo Lee Jeong-Meen Seo		RoomB	Symposium III : Treatment for malnutrition in special conditions	Young Kyu Park Hee Chul Yu			
	11:00-11:15	Dysglycemia in critically ill patients - clinical outcome and management tactics	Joji Kotani	Hyogo College of Medicine, Japan	11:00-11:15	Geriatric patients	Ji-Young Sul	Chungnam National University Hospital, Korea		
	11:15-11:30	Lipid Injectable Emulsions (LIE)	Jeong-Meen Seo	Sungkyunkwan University, Korea	11:15-11:30	Oncologic disease	Ji Hoon Kim	Daejeon Eulji Medical Center, Eulji University, Korea		
	11:30-11:45	Criteria for the diagnosis of malnutrition - recommendation from Global Leadership Initiative on Malnutrition (GLIM)	Xu Jing-Yong	Beijing Hospital, China	11:45-12:00	Clinical implication of surgical nutrition: A surgicalist's perspective	Eun-Joo Jung	Yeonsei University, Korea		
	11:45-12:10	Discussion	Ahram Han	Seoul National University Hospital, Korea	12:00-12:10	Discussion	Chang Hyun Kim	Catholic University Inchen Hospital, Korea		
			Woo Hyung Lee	Seoul Asan Medical Center, Korea			Byung Kwan Park	Chung-Ang University Hospital, Korea		
			Ye Seob Jee	Dankook University Hospital, Korea			Huisong Lee	Ewha Womans University, Korea		
12:10-12:40	RoomA	General Assembly								
12:40-13:40	RoomA	Luncheon Symposium I	TBD							
			TBD							
13:40-14:10	RoomA	Invited Lecture I	Jae-Moon BAE							
		Challenges in Managing Short Bowel Syndrome: An Asian (Singapore) Perspective	Doris Ng	Tan Tock Seng Hospital, Singapore						
14:10-14:25	Coffee Break									
14:25-15:35	RoomA	Symposium IV : Sarcopenic Obesity	Seong-Heum Park Ryoji Fukushima		RoomB	Symposium V: What is the best way for enteral and parenteral access device placement and management?	Moo Jun Baek Vo Duy Long			
	14:25-14:40	Definition and diagnostic methods of sarcopenic obesity	Young Suk Park	Seoul National University Bundang Hospital, Korea	14:25-14:40	Update of parenteral access device: a tailored approach	Chang In Choi	Pusan University Hospital, Korea		
	14:40-14:55	Prevalence & clinical implication of sarcopenic obesity in malignant diseases	Doki Yuichiro	Osaka University, Japan	14:40-14:55	Enteral access device: Complications and management	Jong Won Kim	Chung-Ang University, Korea		
	14:55-15:10	Nutritional considerations & management of sarcopenic obesity	Sung Geun Kim	Catholic University, Korea	14:55-15:10	Enteral and parenteral access devices in pediatric patients: difficulties in long-term care	Sang Hoon Lee	Samsung Medical Center, Korea		
	15:10-15:35	Discussion	TBD		15:10-15:35	Discussion	Sa-Hong Min	Seoul National University Bundang Hospital, Korea		
			Shin-Hoo Park	Seoul National University Hospital, Korea			Ji Won Han	Seoul National University Hospital, Korea		
								Dong Jin Park	Ulsan University Hospital, Korea	
15:35-16:05	Coffee Break									
16:05-17:15	RoomA	Symposium VI : Role of surgical metabolism & nutrition society in Asia	Kyung Sik Kim TBD							
		KSSMN / JSSMN / China / Taiwan / Singapore / Vietnam / Phillipine / Thailand	Hyuk-Joon Lee	Junmin Wei						
			Aung Myint Oo	Vo Duy Long						
			Mei-Due Yang	Jan Andrew Bueno						
			Doki Yuichiro	Suthep Udomsawaengsup						

08:00-09:00	Registration							
09:00-10:10	RoomA	Symposium VII : Korea-China Joint Symposium	Byoung Wook Chung Junmin Wei		RoomB	Oral Presentation II	Jong Hoon Park Dong Seok Han	
	09:00-09:12	Sarcopenia in critically ill patients	Zhenyi Jia	Shanghai tenth hospital, China				
	09:12-09:24	Safety, feasibility, and effect of home nutritional support in China	Weiming Kang	Peking union hospital, China				
	09:24-09:36	Human gut microbiome: A potential controller of colorectal disease	Qin Huanlong	Shanghai Tenth People's Hospital Affiliated to Tongji University, China				
	09:36-09:48	Prognostic values of nutritional parameters in various malignancies	Seong-Ho Kong	Seoul National University Hospital, Korea				
	09:48-10:00	Oncometabolic surgery: Metabolic benefits and nutritional considerations	Jong-Han Kim	Korea university hospital, Korea				
	10:00-10:10	Discussion						
10:10-10:40	Coffee Break							
10:40-11:50	RoomA	Symposium VIII : A gap between guideline and clinical practice	Dong Woo Shin Hyuk-Joon Lee		RoomB	Symposium IX : Nutritional therapy in severe trauma and ICU patients	Suk-Kyoung Hong Jae-Gil Lee	
	10:40-10:55	Enteral nutrition	Sang-Jae Park	National Cancer Center, Korea	10:40-10:55	How and when to provide nutrition to severe trauma patients?	Pil-Young Jung	Yonsei University, Korea
	10:55-11:10	Parenteral nutrition	Jan Andrew Bueno	Philippine	10:55-11:10	TBA	Ho-Hyun Kim	Pusan University hospital, Korea
	11:10-11:25	Geriatric patients	Chen Wei	Peking union hospital, China	11:10-11:25	Nutritional support in patients with an open abdomen	Hang-Joo Cho	Catholic University, Korea
	11:25-11:50	Discussion	Jae-Yool Jang	Gyeongsang National University Hospital, Korea	11:25-11:50	Discussion	Chami Im	Seoul National University Bundang Hospital, Korea
			Sang-Ho Jeong	Gyeongsang National University Hospital, Korea			Byungchul Yu	Gachon University Gil Medical Center, Korea
			Dong-Wook Kim	Dankook University Hospital, Korea			Dong Hun Kim	Dankook University Hospital, Korea
11:50-12:50	RoomA	Luncheon Symposium II	TBD					
			TBD					
12:50-13:20	RoomA	Invited Lecture II	TBD					
		Nutritional strategies to prevent muscle mass loss in ICU patients	Joji Kotani	Hyogo College of Medicine, Japan				
13:20-13:35	Coffee Break							
13:35-14:45	RoomA	Symposium X : KSSMN-JSSMN Joint Symposium	Moon-Soe Lee Naoki Hiki		RoomB	Symposium XI : Nutritional Considerations in Bariatric & Metabolic Surgery	Joo-Ho LEE Suthep Udomsawaengsup	
	13:35-13:50	Randomized controlled trials for perioperative nutritional support in Japan	Naoki Hiki	Kitasato University, Japan	13:35-13:50	How to prevent GERD after sleeve gastrectomy	Aung Myint Oo	Tan Tock Seng Hospital, Singapore
	13:50-14:05	ESSENSE program in gastrointestinal surgery	Ryoji Fukushima	Teikyo University, Japan	13:50-14:05	Relationship of bypassed limb length and nutritional deficiencies	Sang-Yong Son	Ajou University Hospital
	14:05-14:20	Prognostic significance of perioperative nutritional parameters in gastric cancer	Min-Gew Choi	Sungkyunkwan University, Korea	14:05-14:20	Blood glucose management in diabetic patients after metabolic surgery	Tae Jung Oh	Seoul National University Bundang Hospital, Endocrinology, Korea
	14:20-14:35	Nutrtional support in gastric cancer surgery	Do Joong Park	Seoul National University, Korea	14:20-14:45	Discussion	Young-Gil Son	Keimyung University Dongsan Medical Center, Korea
	14:353-14:45	Discussion					Yeon-Ju Huh	LHK Hospital, Korea
							Tae-Han Kim	Gyeongsang National University Hospital, Korea
14:45-15:15	Coffee Break							
15:15-16:25	RoomA	Symposium XII : Debate Session	Jeong-Meen Seo Kwang Min Park		RoomB	NST Session : Nutrition Support and Patient Safety	Ji-Young Sul In Kyu Lee	
	15:15-15:35	Is an early parenteral nutrition really harmful?	Suk-Kyoung Hong Jae-Gil Lee	Ulsan University, Korea Yonsei University, Korea	15:15-15:35	Safe practice in enteral feeding	Jun-Beom Park	Chungnam National Unisversity Hospital, Korea
	15:35-15:50	Discussion	Kyung Sik Kim Sung Geun kim	Yeonsei University, Korea Catholic University, Korea	15:35-15:50	Nutrition and pharmacology	Jarim Seo	Seoul Asan Medical Center, Korea,
	15:50-16:10	Continuous enteral feeding vs. Intermittent enteral feeding	Seung-Wan Ryu Kyoung-Won Seo	Keimyung University Kosin University	15:50-16:10	Safety during parenteral nutrition administration	Han-Mo Yoo	Catholic University, Daejeon St. Mary's Hospital, Korea
	16:10-16:25	Discussion	Yun Joo Jeong Dong Seok Han		16:10-16:25	Discussion		
16:25-16:55	Award Ceremony & Closing
