

The 30th International KOGO Annual Conference

2021. 9. 6 (mon) – 9. 7 (tue)

🌐 Online conference

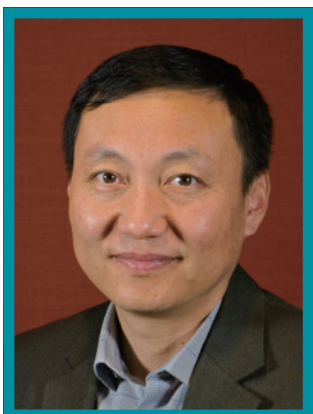

- **Pre-Registration:** 2021. 7. 12 (mon) – 8. 13 (fri)
- **Abstract Submission:** 2021. 7. 12 (mon) – 8. 13 (fri)

Plenary Lectures

Ali Shilatifard
Northwestern University

Lecture title:
Principles of epigenetics and
chromatin in development
and human disease

Bing Ren
University of California San Diego

Lecture title:
Genome annotated, one cell a time

Program

- Plenary Lecture
- Symposia
- Unbong Kang Hyen Sam Award Lecture
- E-poster
- Closing Ceremony & Awards

Symposia

- Single cell genomics
- Medical genomics
- Viral Genomics
- Plant genomics and Evolution
- Epigenomics
- Clinical Pharmacogenomics Service in Korea
- Immuno-Genomics in Cancer Immunotherapy Era
- Microbiome and Disease
- Genomics and Multiomics Approaches to
Complex Disease/Traits
- New Technologies in Genomics
- Non-coding RNAs and Epitranscriptomes
- Bioinformatics in omics data analysis

Registration Fee

Classification			Registration Fee
Pre-Registration	Member	Regular member	120,000KRW
		Student member	50,000KRW
	Non member	Professor/general	210,000KRW
		Graduate student	120,000KRW
